

SPONSOR A MEAL-PACKING MOVEMENT

Help 1000s of local volunteers pack
415,000 meals for children worldwide.

SEPT. 17-19, 2026
JESSUP UNIVERSITY, ROCKLIN, CA

EMMANUEL,
BEFORE AND AFTER
RECEIVING
MANNAPACK MEALS™

Over the last 15 years, volunteers have packed a total of **7.1 million meals** for malnourished children around the world. While we don't know where meals packed will go before they are packed, we always know they will go to children in need. In past years, our meals have been sent to countries in Asia, Central America and the Caribbean including to the Philippines following a devastating typhoon.

While the impact of this effort is global, it is also local as well. The Feed My Starving Children MobilePack™ gives local volunteers a hands-on opportunity to better understand the global hunger crisis - and make a difference in the lives of children worldwide. It's also a great team-building activity for any organization.

Feed My Starving Children (www.fmssc.org) is a highly rated,

501(c)3 charity where **92% of all donations** go directly toward packing and distribution of these meals.

For three days in September, area volunteers will pack hundreds of thousands of meals in our 16th year as a meal packing site. The volunteers come in all ages and walks – church groups, corporate teams, neighborhoods, and sports teams – all working together to pack meals in a unique high energy assembly line fashion.

While the volunteers are critical to our success – we also need financial partners. The MobilePack™ effort is funded by the community, with each meal costing just 29 cents. If we raise \$120,000, for example, we would be able to pack 415,000 meals. We invite you to join this effort as a partner.
